

TABLE 22. 4: Top 10 Indian Institutions in Commercial Rankings

THE, QS, US News and THE and QS BRICS

15 institutions make up the top 10 in all five rankings and the top six are top ten in all rankings. Only IIS appears in ARWU and NT-Taiwan rankings

- THE BRICS also ranks “emerging markets”

The consistency between THE and QS is not surprising since they use the same underlying data from Scopus and similar metrics.
