The Lancet	201-250	8	38	3	4	44
Nature Communications	201-250	401-	173	176	7	40
JAMA(Journal of the American Medical Society)	251-300	18	93	7	13	8
Science	51-60	51-100	37	13	3	16
New England Journal of Medicine	61-70	9	19	2	2	1
Nature	61-70	40	22	11	1	12

Journal of the American Chemical Society	71-80	401-	113	126	9	41
NOTES:						
CiteScore: No rankings numbers displayed;						
SNIP (Source Normalized Impact per Publication						
SJR (Scimago Journal Rankings); using SJR h-Index top 10 overlap 5 with GS h5-index						
SCOPUS Data top the overlap: rankings lists with Scopus data; 2each with CA, Scholar metrics and Dimensions						
Journal Impact Factor - Clarivate Analytics Data: (Top 10 overlap 7 with FCR and 2 with Scholar						
h5-Index Google Scholar lists top 100 overall; other sources ranked in different subject categories						
FCR (Field Citation Ratio) varies by field;						
Top 10 titles only in SNIP and SJR: Handbook of International Economics and Living Review of European Governance
