NOTES:								
Column B includes number of institutions in the composite rankings. Countries in red								
were represented in SDGS but not in the composite								
* Least developed nations March 2018								
Development status from World Bank list of economies (FY 2019)								
Four income levels: High, upper middle, Lower middle, and Low; spreadsheet not Windows 10 compatible								
https://datahelpdesk.worldbank.org/knowledgebase/articles/906519-world-bank-country-and-lending-groups								
Development Status from UNCTAD (see Statistical Annex)								
https://www.un.org/development/desa/dpad/wp-content/uploads/sites/45/WESP2019_BOOK-web.pdf								
Other U21 Systems where no universities participated in overall impact ranking:								

Argentina (38); Belgium (13); Croatia (43); Singapore (7); and Slovenia (20)						
UN Academic Impact Members
