Below the navigation bar, there are three buttons: 'Personalise this ranking', 'Show symbols', and 'Show the whole table'. The main content area displays a table of university ratings. The table has a header row with columns for 'Citation rate', 'Research publications (absolute numbers)', 'Research publications (size-normalised)', 'Top cited publications', 'Co-publications with industrial partners', and 'International joint publications'. The universities listed are Universidade da Coruña, RWTH Aachen University, and Aalborg University. The ratings for each university are as follows:
