

Table June 2021. 2: CWTS -Leiden 2021 Publications in top 10% cited - number and proportion

The rankings do not have a composite score. Users can rank by number of publications in the different indicator categories or sort by the proportion of articles in the different categories. As shown in Table 2, the results differ. Shanghai Jiao Shanghai Tong has the second highest output. It ranks 483 for publications cited in the top 10% of their field. The graduate school Rockefeller U is first for proportion of publications for top 10% in their field but 1161 in number of publications. 10 of the 15 universities with the highest output are East Asian. None are on the top 10% list. Only Tsinghua is in the East Asian top list . CWTS Leiden places Hong Kong and Macau under China. Four Hong Kong are in the top 15 list and all six HK unis are top 25.
