Analysis

Current Rankings released in 2021: 14 universities are in the world top 10 and seven are the same for all three rankings. THE and ARWU have universities from the US and the UK and QS has a university from CH as well. QS has the most top 10 universities from the UK. 14 more universities are in the top 20 with Tsinghua and Peking from China, NUS and NTU from Singapore, Toronto from Canada, and Paris-Saclay, formed by mergers including ENS. The **Lowest Ranked** are the newly created Paris-Saclay in THE, U Washington in QS, and EPFL in ARWU.

How many of this year's top 10 and 20 were top ranked in the first rankings?

11 of this year's top 14 were top 10 the first year and 23 of the 28 were part of the top 20.

15 of the original THE/Qs top 20 are top 20 in THE; 11 of ARWU's top 11 are still top 11, 18 top 20

When QS split from THE, it introduced its own methodology and 7 of top 10 are the same; 14 are the same as the original top 20.

Three of the four Asian universities from ARWU 2003 have all risen over 170 places.
